Ph.D. Information Session

Tuesday, December 19th from 8:30 am-9:30 am (Pacific Time)

The Department of Computer Science and Engineering is pleased to invite all individuals who are interested in applying to our amazing Ph.D. Program. Our degree program provides a research-oriented education in preparation for a career in research, industry, or academia and explores the fundamental aspects of computer science and engineering as well as their applications.

This is a great opportunity to learn more about the application process as well as the Ph.D Program logistics. In addition, there will be time towards the end of the session for any outstanding questions you may have. Please join us ! All are welcome!

Presenters:

Dr. Marek Chrobak
Professor and Vice Chair
